Hello all,

Adding CD 13 CSG to the email chain.

Shatto Recreation Center located at 4th St / Shatto Pl was brought up as an area needing a cleanup. Currently we have a CSLA cleanup pending (Authorization No. 181126012).

Matthew: Do you know if outreach has been provided at this location?

Bladimir: Is it possible to schedule this location on an upcoming CD 13 date? Maybe 12/04, 12/06, or 12/10.

Dana: Do we have any additional images of this location?

Matthew,

Thank you. We will address several encampments today and the bicycles that are stored. I am requesting any follow up patrols by LAPD at all possible levels. I will ask LAHSA for outreach.

Hi Albert,

Community members are complaining about bikes being stored on park grounds on the east corner of the park near the curb by 4th street. Homeless have made a hole in the fence and are storing bikes and bike parts. Also the homeless have pretty much blocked the sidewalk in that same area and it is hard for people to walk and it has become a safety issue regarding our after school club.
